

DREAMERS & ACHIEVERS CENTER

**Dreamers and Achievers Center**

**Wellness Recovery Action Plan**

**WRAP Seminar II**

**Course Description:** This course is a five (5) day, intensive workshop/training that prepares participants to facilitate **WRAP** classes and equips them with skills and materials to facilitate classes in their community and organization.

It is for people who have completed a **Seminar I WRAP** course. Proof of certification must be submitted prior to training.

The **WRAP** Facilitator training provides an experiential learning environment based on mutual respect and self-determination. Participants in this course will be expected to engage in interactive learning activities and demonstrate their own experience with **WRAP**.

This training is appropriate for anyone who would like to learn how to properly facilitate **WRAP** groups, work with others to develop their own **WRAP** plan, and give presentations on mental/behavioral health recovery, as related to groups and organizations.

Please fill out the questions so that we can register you for the upcoming class. Please answer all the questions in detail. Incomplete applications will not be accepted.

In order to participate in the **WRAP Seminar II Facilitator Training**, you must have completed the 16hour **WRAP Seminar I: Introduction to Mental Health Recovery and WRAP Workshop**.
